

REMARKS

Claims 4 and 8 are now pending in the application. By this amendment, Claims 4 and 8 have been amended and Claims 1-3 and 5-7 have been cancelled without prejudice or disclaimer of the subject matter contained therein. The basis for these amendments can be found throughout the specification, claims, and drawings originally filed. No new matter has been added. The preceding amendments and the following remarks are believed to be fully responsive to the outstanding Office Action and are believed to place the application in condition for allowance.

The Examiner is respectfully requested to reconsider and withdraw the rejections in view of the amendments and remarks contained herein.

REJECTION UNDER 35 U.S.C. § 112

Claims 4-8 stand rejected under 35 U.S.C. § 112, second paragraph, as being indefinite for failing to particularly point and distinctly claim the subject matter which Applicant regards as the invention.

This rejection is respectfully traversed.

Applicants respectfully submit that this rejection is moot with respect to Claims 1-3 and 5-7 as Claims 1-3 and 5-7 have been cancelled without prejudice. Accordingly, reconsideration and withdrawal of the rejection is respectfully requested.

Independent Claim 4 has been amended to correct a typographical error. Specifically, independent Claim 4 now calls for a second lens with a "second radio wave reflective characteristic" rather than a second lens with a "third radio wave reflective

characteristic.” Accordingly, Applicants respectfully submit that independent Claim 4, as well as Claim 8, dependent therefrom, are in condition for allowance.

REJECTION UNDER 35 U.S.C. § 102

Claims 1-8 stand rejected under 35 U.S.C. § 102(b) as being anticipated by Staney (U.S. Pat. No. 5,512,913).

This rejection is respectfully traversed.

Applicants respectfully note that the rejection under 35 U.S.C. § 102(b) with respect to Claim 7 is in error as the Examiner has indicated that Claim 7 would be allowable if rewritten in independent form. See Office Action mailed May 31, 2005 at pg. 4. Accordingly, reconsideration and withdrawal of the rejection is respectfully requested.

Applicants respectfully submit that this rejection is moot with respect to Claims 1-3 and 5-7 as Claims 1-3 and 5-7 have been cancelled without prejudice. Furthermore, Applicants respectfully submit that this rejection is moot with respect to Claims 4 and 8 as Claim 4 has been amended to include the allowable subject matter of Claim 7 and Claim 8 has been amended to depend from Claim 4. Accordingly, reconsideration and withdrawal of the rejection is respectfully requested.

ALLOWABLE SUBJECT MATTER

The Examiner states that claim 7 would be allowable if rewritten in independent form. Accordingly, Applicants have amended independent Claim 4 to include the

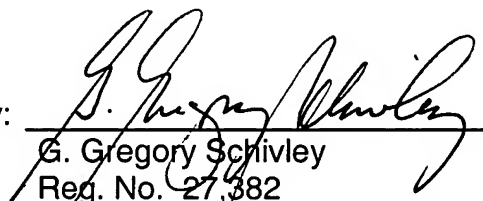

limitations of the base claim and any intervening claims. Therefore, Claims 4 and 8 should now be in condition for allowance.

CONCLUSION

It is believed that all of the stated grounds of rejection have been properly traversed, accommodated, or rendered moot. Applicant therefore respectfully requests that the Examiner reconsider and withdraw all presently outstanding rejections. It is believed that a full and complete response has been made to the outstanding Office Action, and as such, the present application is in condition for allowance. Thus, prompt and favorable consideration of this amendment is respectfully requested. If the Examiner believes that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at (248) 641-1600.

Respectfully submitted,
